

# FCC Albany Women's Weekend

February 24-25, 2018

Silver Falls

Conference Center

## THE WISDOM OF THE BODY

Join us for our annual women's weekend at Silver Falls Conference Center. This retreat is a time to rest, hike, play, reconnect with friends, make new friends, and experience Christian community in a beautiful setting. We will enjoy four meals at the conference center, beginning with lunch on Saturday and ending with Sunday lunch.

We'll stay in heated cabins with two persons to a room. The bedding and towels are provided. Other things to bring: comfortable clothes, walking shoes, books, journal, Bible, whatever nurtures your creative spirit (beads, art materials, camera, knitting, crochet, etc.), board games.

Your presence is important to the community. If you are participating in the life of the church and need partial scholarship assistance, please let Pastor Douglass Anne know.

Yes, sign me up for Women's Weekend, February 24-25.  
(Return to church office with \$130 payment by **Sunday, Feb. 10**)
